Dear DT Family,

Thank you for a wonderful week! Our teachers and staff have been overwhelmed by your generous outpouring of treats and surprises as we recognized Teacher Appreciation Week.

EXCITING ANNOUNCEMENT!!!

Our first flier about the summer meal program is coming home today! We will keep updating you on our progress and planning as the remaining 3 weeks of school wind down. Please don't hesitate to ask questions as we want this to be a success. I will post questions and answers in the next newsletter.
(Please see survey at the end of the newsletter.)

School and District Information:

DT Family News: We would like to extend a warm thank you to Mrs. Janet Marshall once again for her time. This is her last week with us filling in for Mrs. Bretz who has been at home with her new baby. Mrs. Bretz will return next week on Tuesday!

Construction Update: Our new main entry restrooms are FINALLY open! The final checklists have been approved and they opened up for us Wednesday! This means they are moving into the K-2 hallway restrooms. By the end of the week a safety wall will be constructed and they will begin demolition.

Summer Meal Program Survey

_____ Yes, I plan to participate in the Summer Meal Program.

A question I have is _____

Field Day!!!

Field day this year will be on **Wednesday, May 24th**. Field day will be an all day event. We are seeking parent volunteers who are able to assist in the activities for either a full or half day. Please mark the shifts you are available to help.

If you are unable to volunteer your time, and would still like to contribute in another way, we have included a list of supplies needed for the day. These items include: 5-gallon buckets, car wash sponges, kitchen sponges, nerf water balls (splash bombs), foam water blasters, Oreo cookies (generic brand will be fine too), pennies, nickels, ziploc bags (sandwich or quart size), play dough, beach balls, bubble mix and wands, balloons, new toilet plungers, shaving cream, straws, snack twist pretzels with the loops (not sticks), - and pool inner tube rings.

Thank you! The Field Day Committee
